Airplane!

by Ann Carey

An airplane is one kind of aircraft.

A pilot flies it. An airplane has wings and an engine.

Look at these aircraft.
Which one is an airplane?

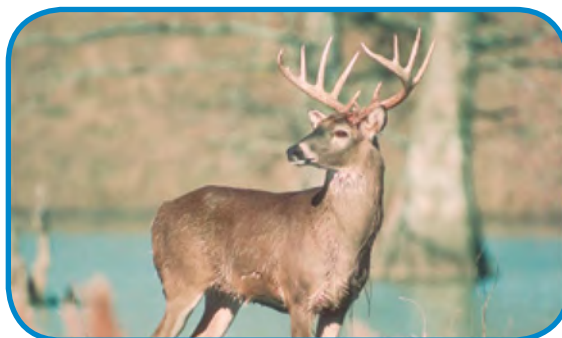

Words with eer, ear

Look at each picture. Read the words.

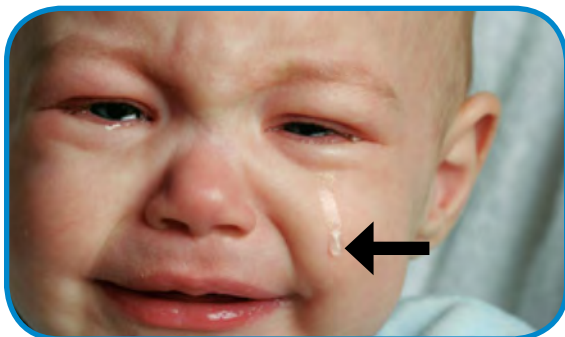

Example:

ear

deer

tear

year

shears

steering wheel

At the Airport

Work with a partner. Each of you gets six markers. Player 1 reads a clue and looks in the picture for a match. If you both think a match has been made, Player 1 places a marker on that clue box. Now it is Player 2's turn. Who makes the most matches?

Clue Boxes

A man cannot
hear with square
earmuffs.

Two brothers peer
at airplanes.

People, and even
a green deer,
go up stairs.

A man began
to eat a pear.

An ad says:
**A second is
not enough to
learn to fly.**

A chair with
a tear.
