Learning About Seasons

1

Look and read.

There are four seasons in a year. The first season is spring. Spring is warm. The flowers bloom. The grass becomes green. The second season is summer. Summer is hot and children play outside a lot. The third season is fall. The weather becomes cool and the leaves fall from the trees. The fourth season is winter. Winter is cold and rainy. Everyone waits for spring to come again.

2 Answer the questions.

- 1 How many seasons are there in a year?

There are _____.

- 2 Write the names of the four seasons.

3 Read and match.

summer

fall

spring

winter

- January
- February
- March
- April
- May
- June
- July
- August
- September
- October
- November
- December

1

Read and understand.

Esther

I love spring. It's warm and sunny. I can play outside with my friends. I can go for long walks. I can pick beautiful spring flowers.

Ben

I like summer. I don't have to go to school. The weather is hot. I can go swimming with my friends. I can go camping with my family.

Jean

I like fall. The weather is cool. The leaves turn to red and gold. It's a lot of fun playing in the falling leaves. It's fun to dress up as a witch or a ghost on Halloween, too.

Henry

Winter? No one likes winter. The weather is cold. The sky is grey and the sun never shines. It rains a lot and you have to stay inside. Winter is really no fun.
