

A String Telephone

Nigel Croser

Russell Millard

For teachers' inspection ONLY

Make a telephone.

You can talk with your friend.

You will need:

- two plastic cups
(or paper cups)
- two small twigs
- a long piece of string
- a pencil

For teachers' inspection ONLY

For teachers' inspection ONLY

Push the point of the pencil into the bottom of one cup.

Make a small hole.

Do the same with the other cup.

For teachers' inspection ONLY

For teachers' inspection ONLY

Push one end of the string up into one cup.

Tie a twig to the string.

Do the same with the other cup.
