

## eBook Leveled Libraries!

**Read, Interact, and Extend Learning in New Ways!**

Over 4500+ titles and collections can be grouped to meet the needs of all learners. High-quality content, engaging and interactive tools, rich text, and powerful graphics provide the perfect addition to any classroom.

**ORDER a school-wide subscription for UNLIMITED access. Access to mobile app is included.**

### Annotate! Highlight!

Online tools provide opportunities to add questions and use close reading techniques to respond to text.

### Listen

Audio-synchronized text highlighting links the spoken word and printed text to extend the experience to listening comprehension. Includes word-by-word tracking.

### Customize

Create and personalize bookshelves and customize assignments for students using guided reading and Lexile® levels, topics, and strategies.

### Link! Embed! Share!

Linking to the web and embedding videos allow students to locate and use evidence to make text-based arguments and extend learning beyond the printed page.

### Differentiate!

You can create virtual copies of each eBook. All annotations, notes, and additions you make to the eBook are saved. These virtual copies can be assigned, added to a bookshelf, or used for whole-group presentations!

### Mobile Apps

No connection? No problem. Access to eBooks provided for the iPhone, iPad, Android phone, Android tablets, and Chromebook.

## 6 Reasons why Benchmark Universe Is Different

- ✓ **Audio-Synchronized Text Highlighting** links spoken word and printed text.
- ✓ **Glossaries** build academic vocabulary needed to access complex text.
- ✓ **Linking to the Web and Adding notes and Bookmarks** allow students to locate and use evidence to make text-based arguments.
- ✓ **Writing, Highlighting, and Annotating** provide opportunities to use close reading techniques to respond to text.
- ✓ **Embed Videos** to extend learning.
- ✓ **Create and Personalize Bookshelves and Customize Assignments** for students using guided reading and Lexile® levels, topics, and strategies.

Searching for precisely leveled text is easy – by level/grade, content area, theme... and even keyword.

The screenshot displays the Benchmark Universe Resource Library interface. On the left, there are several filter panels: 'Content Area' (Language Arts, Math, Science, Social Studies), 'Types of Books' (New Titles, Alphabet Books, Books to Read Together or Listen To, Decodable Books, Knowledge-Building Books, Reader's Theater, Poetry Books), and 'Level' (AA-1, M-28, A-1, N-30, B-2, O-34, C-3, 4, P-38, 40, D-5, 6, Q-40, E-7, 8, R-40, F-9, 10, S-40, 50, G-11, 12, T-40, 50, H-13, 14, U-50, I-15, 16, V-50, 60, J-17, 18, W-50, 60, K-19, 20, X-70, L-24, Y-70, 80, Z-Z+ 80). The main content area shows 'Alphabet Books and First-Time Readers (72)' with five book covers: 'Alphabet Animal Friends Aa', 'Alphabet Animal Friends Bb', 'Alphabet Animal Friends Cc', 'Alphabet Animal Friends Dd', and 'Alphabet Animal Friends Ee'. Below this is 'Decodable Books (50)' with five book covers: 'I Did It!', 'I Am In', 'The Hot Sun', 'I Can!', and 'I Have It!'. The top right has a search bar and 'Clear Filters' button. The bottom right has 'Add Assignment' and 'Bookshelves' buttons.

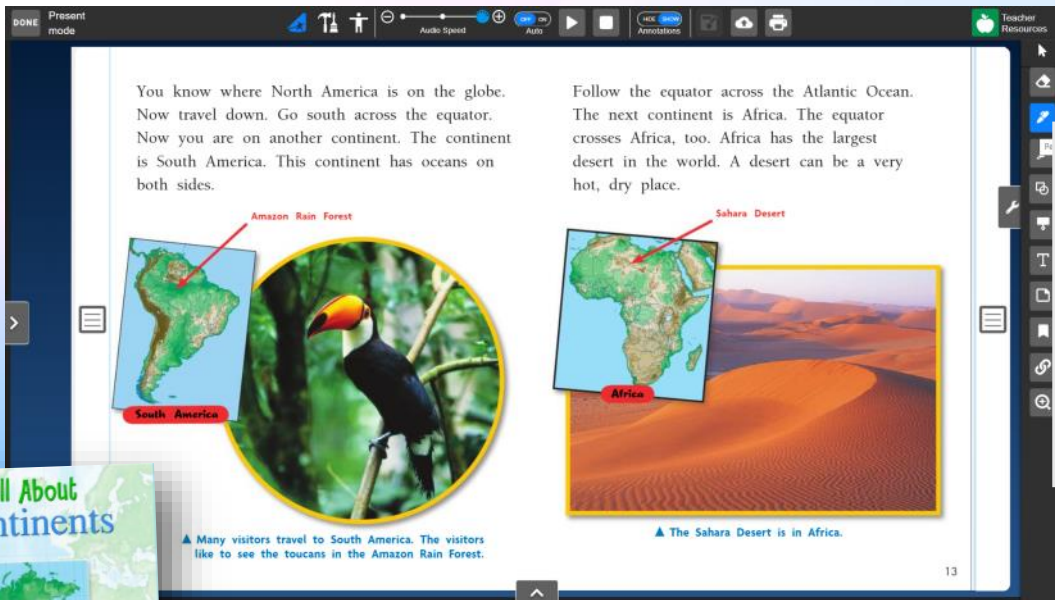

The screenshot displays the Benchmark Universe Resource Library interface with search filters applied. The filters are: English, Knowledge-Building Books, Science, and 360L - 1240L. The main content area shows 'New Knowledge-Building Books from Diverse Voices (1)' with one book cover: 'I Am an Urban Farmer'. Below this is 'Knowledge-Building Text Sets for Emerging Readers' with three book covers: 'Junior and Penning Two Heroes of Medicine', 'Healthy Eating', and 'It's Snack Time'. A red arrow points from the 'Healthy Eating' book cover to a detailed view of the book. The detailed view shows the book title 'Healthy Eating', a 'Preview' button, and options to 'Add to Assignment', 'Add to Bookshelf', and 'Create Direct Link'. The book details include: Language: English, Level Letter: H, Level Number: 28, LEXILE Level: 610, Series: Text Connections, Content Area: Science, Product Type: BOOK, and Developmental Category: Early/Fluent. The description reads: 'Our bodies need food to live. Some foods help our bodies, while other foods hurt our bodies. Read to find out why this is, and learn how to keep yourself healthy!'
