Evan was at home with Mum.
His sister, Bella, was in hospital.
She had a broken leg.

“We will go and see Bella tomorrow,”
Mum told Evan.

“I would like to take Bella a present,”
said Evan.

“I want to cheer her up.”

Mum took Evan to the shopping mall to find a present for Bella.

They came to a pet shop.

Evan stopped to look in the window.

“I can see some goldfish!” he said.

“Bella likes goldfish.”

Then, Evan laughed.

“But she can’t have goldfish in the hospital!”

“Let’s look in some more shops,”
said Evan.

“I want to find the *best* present
for Bella!”

Mum looked at her watch.

“We will have to hurry,” she said.

“The shopping mall will shut soon.”
