There are three **worlds**.

The first world is Asgard.
The **gods** live there.

The second world is
Midgard. We live here.

And the third world is Jotunheim.
The **giants** live there.

The gods and giants are **enemies**.

Thor is a god. His father, Odin, is chief of the gods.

Loki is from Jotunheim.
His father's a giant, but
his mother's a **goddess**.

One morning, Thor and Odin are walking
in Midgard. They meet a man there.

Why?

The giant Skrymsli is coming to my
house! My boy, Rogner, is his lunch!
