

FOOD

How do we taste? Where does food come from?
Can you eat in space? Find out more about tongues,
salt and spicy food.

Do You Know? is a series of levelled non-fiction books featuring video content, project work and critical-thinking activities to motivate and engage young learners. Covering a range of STEM topics from nocturnal animals to climate change, *Do You Know?* takes an enquiry-based approach, developing children's language, communication and investigation skills.

What is food?

These foods are good for our bodies.

We all eat food. It is good for us. It helps us. We can play. We can grow, too.

 **THINK!**

What food do you eat?

How do we taste?

We put food in our mouths. Our tongues **taste** the food.

tongue

Some foods taste nice.

Some foods do not taste nice.

 **FIND OUT!**

Use **books or the internet** to find out about our tongues. How do they taste food?
