cave

It is spring. Little bear cubs wake up. They had a long nap in the cave.

This is the mother bear. She sits in the shade. She keeps the little cubs safe.

Twenty Questions

Play with a partner. Choose one thing in the picture. Don't tell your partner what it is or isn't. Your partner asks questions to find out what you chose.

Can I take you to sleep with me?
Can I play a game of chase with you?
Can I carry you because you are little?
Can I wade here?

Yes, you can.
No, you can't.
