Taking a test is a  
healthy **habit**.

A photograph of a classroom scene. A female teacher with long dark hair, wearing a light-colored top, is leaning over a desk, assisting a young student. Another student is visible in the background, also working at a desk. The scene is brightly lit, likely from a window on the right. A large, diagonal, semi-transparent red watermark with the text "For Review Only" is overlaid across the center of the image.

A healthy habit is  
something you do to  
stay well.

A test is a way to  
**measure** something.

To measure means to  
learn more.

There are many kinds of tests.
