Trainer Tom works at the zoo.

He works with the animals.

He wants the animals to be
the best that they can be.

Today, the pandas need his help.

The pandas are working on a puzzle.

It is a hard puzzle.

A very hard puzzle.

The puzzle has many pieces.

The pandas cannot put all of the pieces of the puzzle together.

The pandas do NOT want to finish the puzzle.

The pandas are ready to give up.

“We give up!” say the pandas.

“Don’t give up,”
says Trainer Tom.

He will show the pandas why it is important to finish what they started.
