Reading This Book with Children

You can use this book to support literacy and science.

1. Read the title of the book and talk about the picture on the cover. Ask: *What do you think this book will be about?*
2. Look at each page in the book. Talk about the pictures and ask children to point to words they know.
3. Read the book aloud and invite children to join you in reading the repetitive pattern of the book. Point to the words as you say them.
4. Enjoy reading the book several more times so children can become more independent with each reading.
5. Point out and discuss the examples of science concepts in the book.
