

Meet Walter and Christopher: the Bumble Brothers. These nine-year-old twins MUST have the latest comic book featuring their favorite superhero, Frabbit (½ frog & ½ rabbit). But Harold, the neighborhood bully, stands in their way. Featuring wacky misunderstandings, riddles that nobody gets, goofy puns, and silly fantasy sequences, this NEW graphic novel series will have kids laughing non-stop!

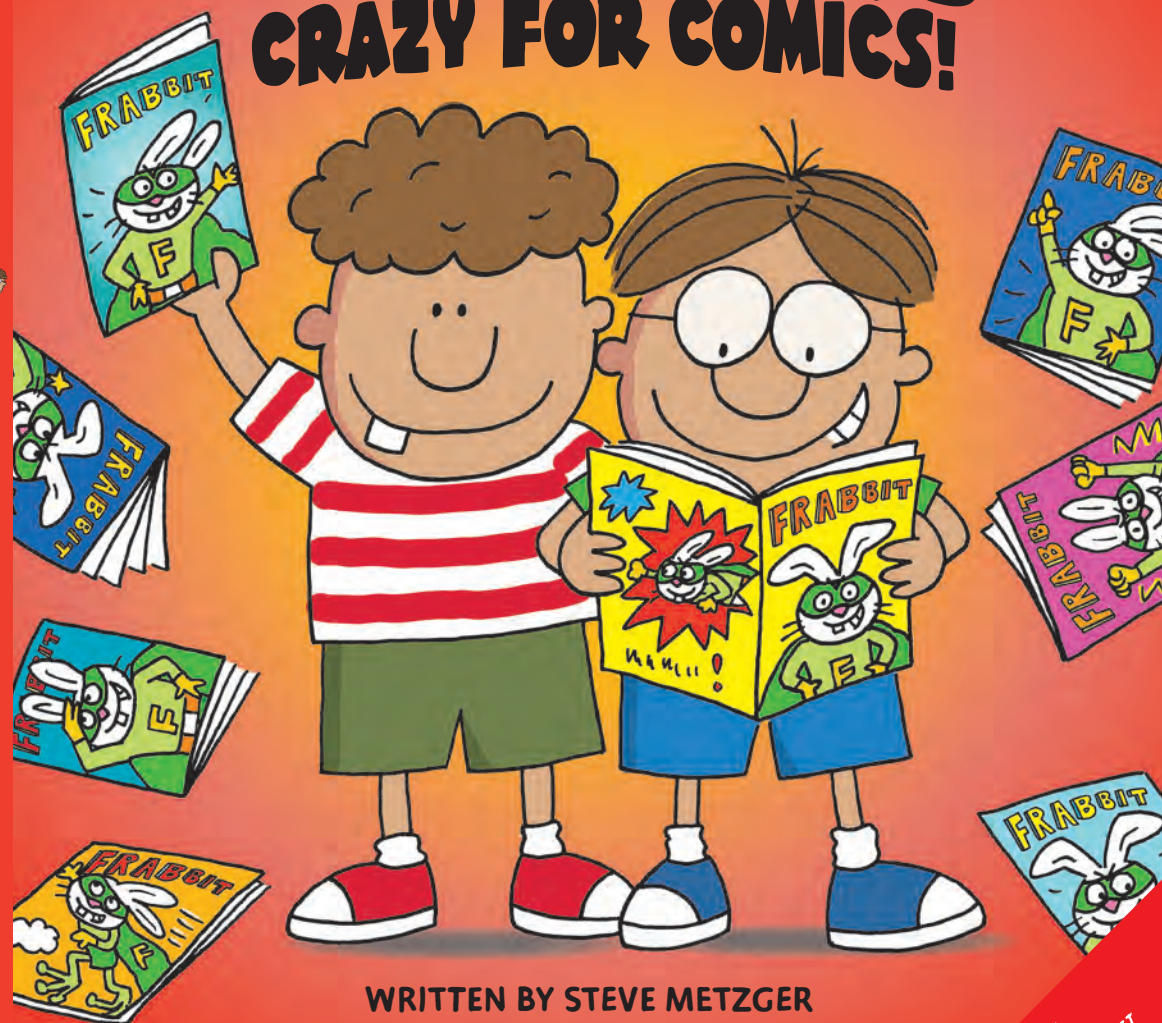

Move over, Dog Man—the Bumble Brothers just hit town and they're taking silly to a whole new level! With art as funny as the text, new readers will laugh their socks off and beg for more!
