Taking Food To Go

Nellie Wilder

It can be fun to eat food
on the go.

STEAM CHALLENGE

The Problem

You have to take cookies to go. But you do not want to have waste.

The Goals

- Make a package for cookies.
- Use materials that can be used more than once.
- The package should be used again and again.

Research and Brainstorm

Learn about to go packages.

Design and Build

Draw your plan. Make your package!

Test and Improve

Place a cookie in the package.
Then, try to make it better.
