My name is Becky.
I miss my best friend Dee.
She moved far away.

I write **letters** to Dee.

Puff makes noises at night.
He runs on his wheel.

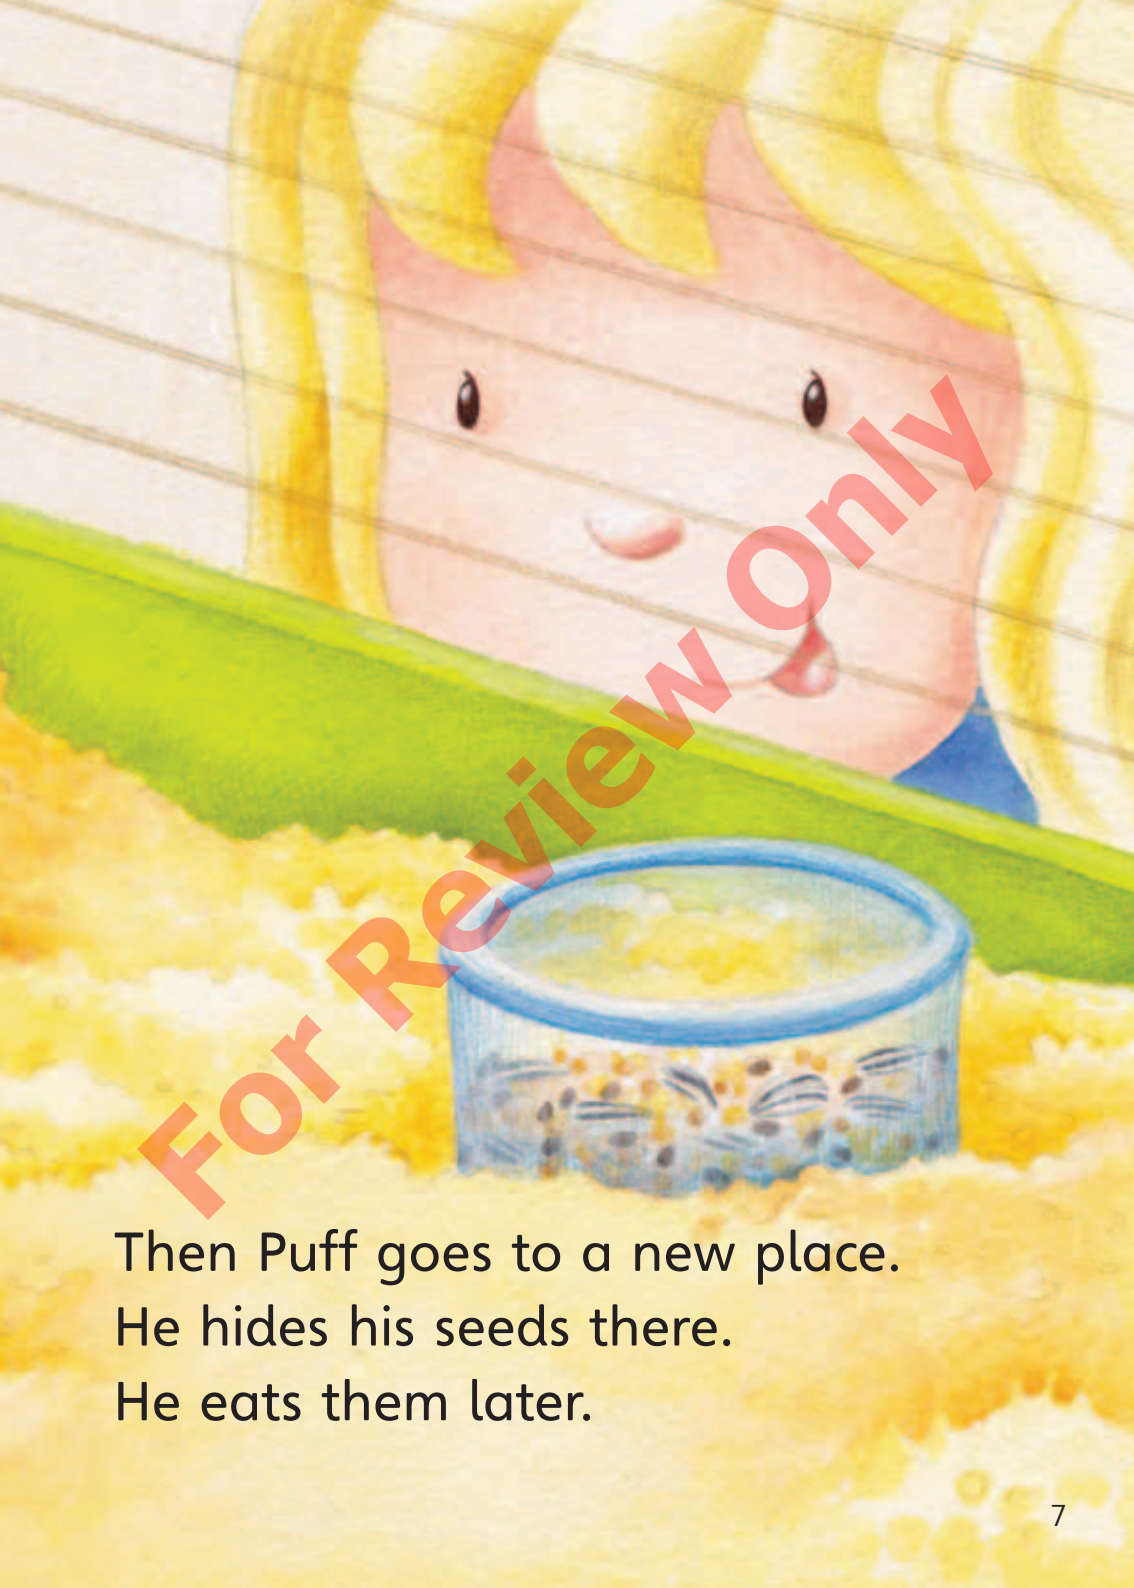

I put my hand in the cage.
Puff runs to me.
He takes a carrot from my hand.

Puff is funny.

He goes to his food **dish**.

He fills his **cheeks** with seeds.

Then Puff goes to a new place.
He hides his seeds there.
He eats them later.
