This is a groundhog.
It looks like a big mouse.

food for groundhogs

It eats grass, **seeds**, and berries.

A groundhog likes to **dig**.
It is a good digger.
It digs a hole in the **ground**.
It makes its home there.

a groundhog's hole

A groundhog's home is very large.
There are many rooms.
It sleeps there all winter.

February 2nd is Groundhog Day.
It is an American **holiday**.

In the morning, people go to a groundhog's home.
They watch the groundhog.
