Doctors at Work

Bo wants to be a doctor.

What do doctors do?

They help people who
are sick or hurt.

teacher's inspection only

They help people stay well.

Jayden hurt his arm.
Dr. Ho takes an X-ray.

The bone is broken!
Jayden needs a cast.

At the Doctor's Office

otoscope

A tool used to look in a person's ear.

blood pressure cuff

A tool that wraps around your arm and measures how hard your blood pumps.

exam table

A soft table with drawers for supplies, where patients sit for a check-up.

Picture Glossary

cancer

A disease in which some cells inside the body destroy healthy parts of the body.

disease

A serious illness such as measles or rubella.

cast

A hard protective case that helps broken bones heal.

X-ray

A photograph taken by a special machine that shows bones inside the body.
