Trucks Rule!

It is a sunny summer day.

“I could use some fun,” Uma mumbles.

All of a sudden . . .

Thump! Bump! Thud!

Uma jumps up. She runs to the curb.

“Trucks!” Uma shouts.
“I am nuts about trucks!”

Trucks rumble.

They lug supplies.

Workers use tools. They cut
lumber. They build.

Uma studies the trucks.
“That must be fun!” she says.
