TEAMWORK

Sometimes, we can do things by ourselves. But other things are hard to do alone. We need help.

I want to
move this.
But it is too
heavy!

Working together makes it easier to get things done. And it can be fun. When we work together, it's called teamwork!

TEAMS ALL AROUND

Teams are everywhere. Sometimes, we pick a team to join. Other times, we are put on a team to solve a problem.

Think of teams
you have been a part of.
Make a list of teams at
school, at home, in clubs,
and more!

A family team can
clean much faster.

Classmates team up
on a school project.

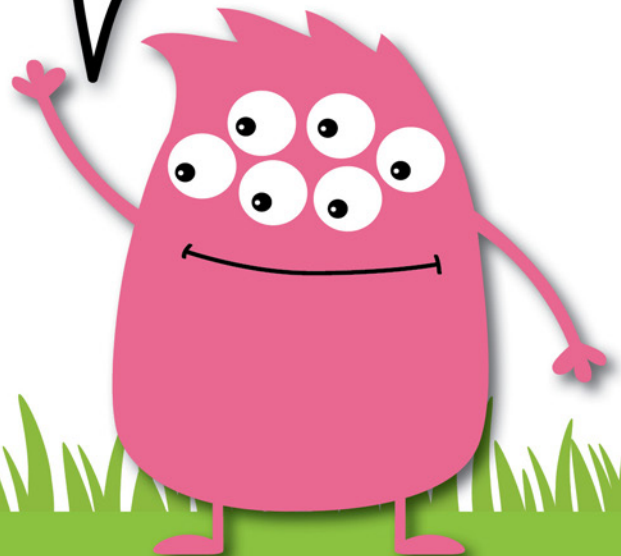

We can score
a goal on a soccer team.

NEW TEAMMATES, NEW FRIENDS

We can be on teams with friends we know. But sometimes there are people we don't know on our teams.

I'm scared.
I don't know
anyone.

My name is Tani.
You'll be a great
part of our team!

Getting to know new people
makes working on a team
easier and more fun!

No matter what,
our team can
come together!
