FUTURE LITERACY READING 1 30

Future Literacy 30 is a three-book reading series for beginner learners of English. Each book contains interesting passages covering a broad range of school subjects on fun and engaging topics, enhancing students' enjoyment of reading as well as their academic knowledge. Students not only gradually expand their vocabulary through exposure to high-frequency words but also sight words related to the unit topics.

FEATURES

- Interesting topics covering a wide range of subjects, including social studies, science, math, art, music, physical education, and more
- Clear unit objectives linked to real-world academic standards
- Fun-filled vocabulary learning with the exciting Word Kingdom game
- Immersive and engaging activities in Literacy Upgrade which help students' understanding of each unit
