FUTURE LITERACY 3 80

Future Literacy 80 is a three-level reading series for beginner to intermediate learners of English. Each level has three books that increase students' literacy skills. Each book contains interesting nonfiction passages covering a broad range of school subjects. Students gradually expand their vocabulary through exposure to high-frequency and practical vocabulary related to the unit topics. Students build their literacy skills through a sequential cycle of interconnected modules focusing on the following: Vocabulary, Writing, Background Knowledge, and Digital Reading.

FEATURES

- Direct correlation with most major school subjects, including social studies, science, math, art, music, physical education, literature, careers, language arts, and more
- Informative passages that describe the amazing world we live in
- Fun-filled vocabulary learning with the exciting Word Kingdom game
- Diverse question types that challenge students to analyze, evaluate, and synthesize information

A Listen and read out loud. TRACK 03

People hurry a lot.

They don't make time for phone calls.

They send texts.

Even then, people hurry.

They don't spell out whole words.

They only use a few letters.

It's quick and easy.

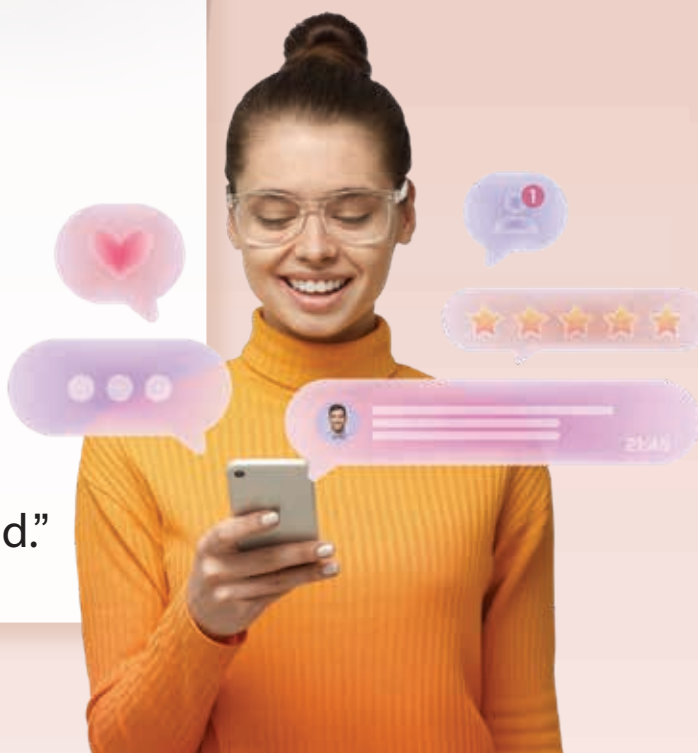

LOL means "laughing out loud."

BRB means "be right back."

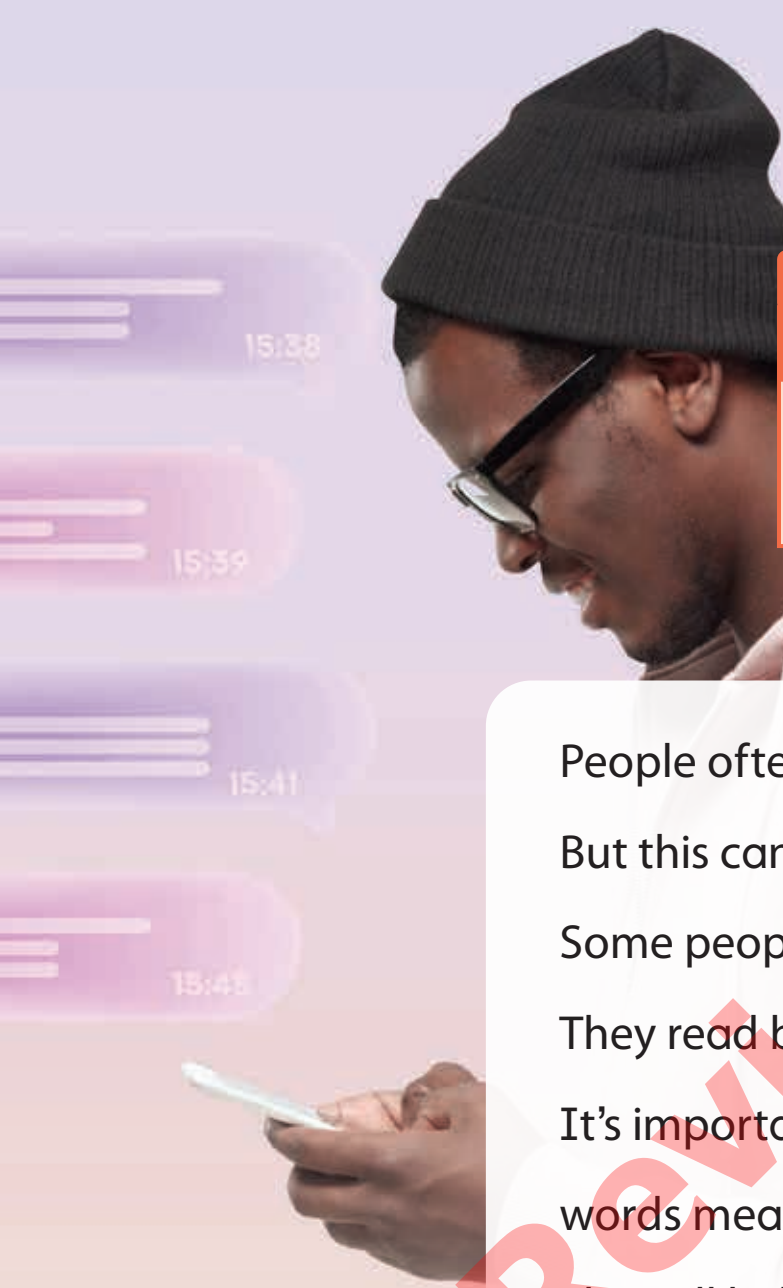

IDK means "I don't know."

And *SMH* means "shaking my head."

WATCH

Key Pattern

Practice the key pattern.

✓ They only use **a few** letters.
I have **a few** apples in my basket.
The farmer has **a few** cows in his field.

People often use these letters in texts.

But this can be a problem.

Some people think *LOL* means "lots of love."

They read bad news and answer *LOL*.

It's important to know what these shortcut words mean.

This will help us talk clearly to each other.
