A monkey sat in a mango tree.  
Along came a fox.

“Yum! I like mango,”  
said the fox.

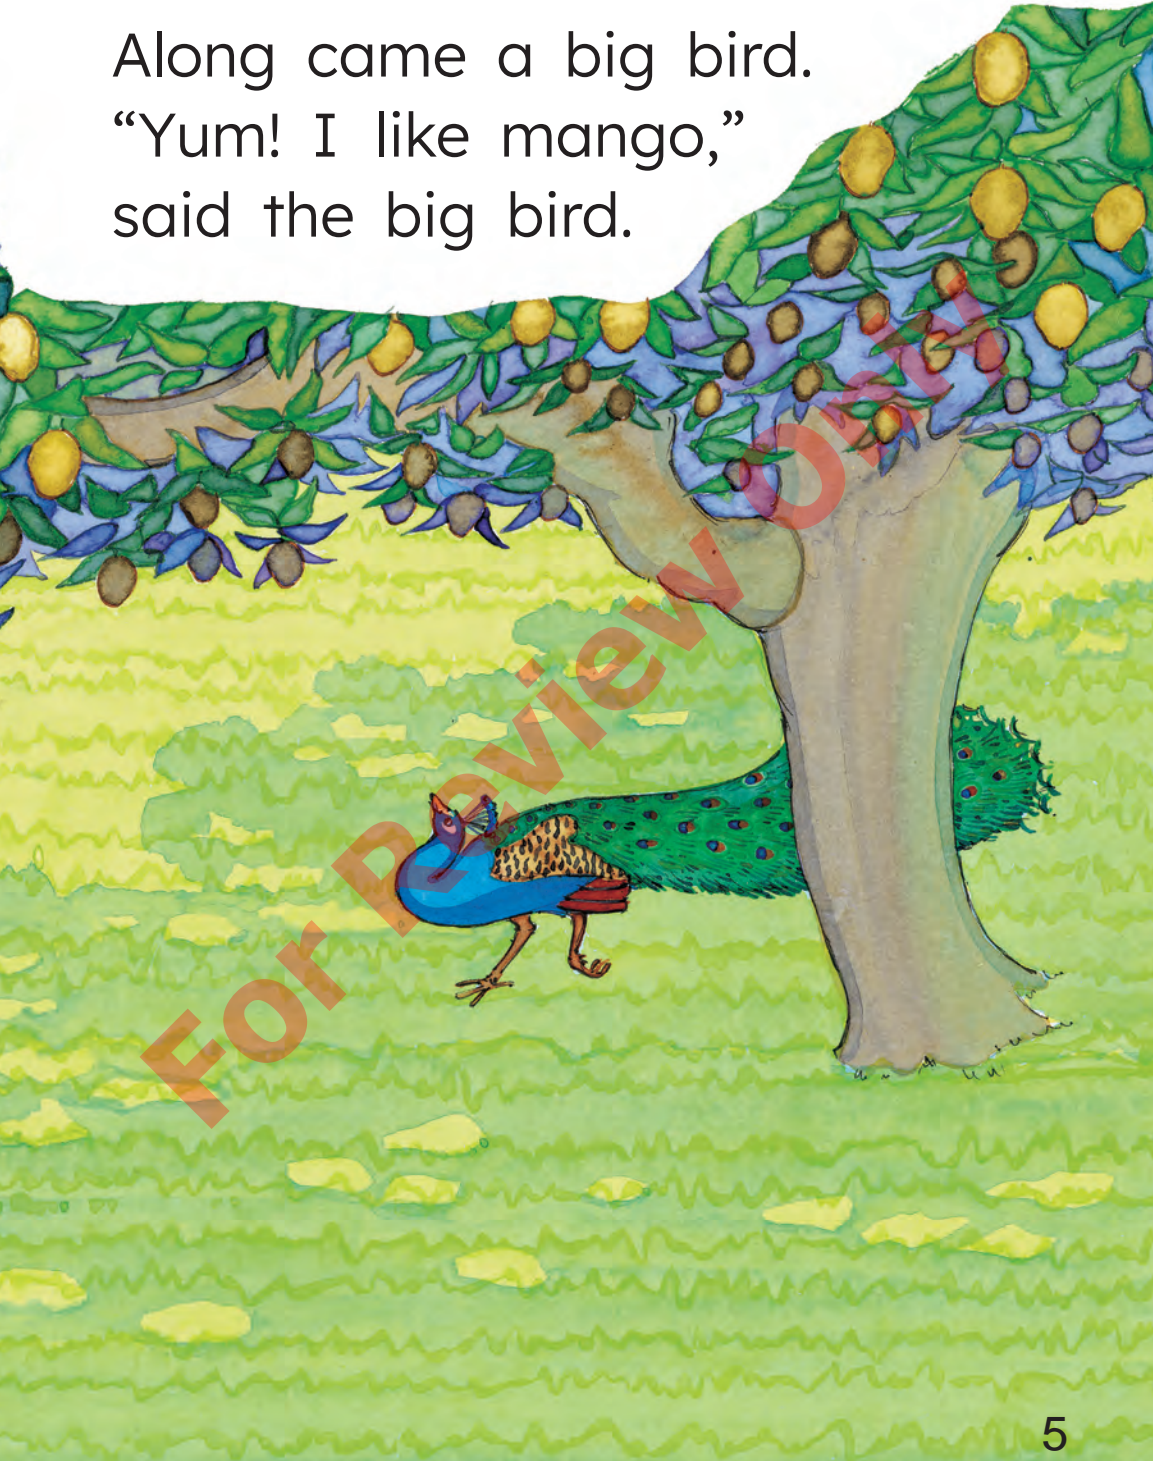

“Go away. This is my tree,”  
said the monkey.

Along came a big bird.  
“Yum! I like mango,”  
said the big bird.

“Go away. This is my tree,”  
said the monkey.

Along came a bear.  
“Yum! I like mango,”  
said the bear.
