PB3 and Coco the Clown

Illustrated by Gustavo Mazali

▶ 2 **I**t's night. Sally is with her uncle Coco the clown in his circus motorhome. They are having dinner. Suddenly they hear a strange noise WEEEEEEEEEEEEEEEE!

What's that!

I don't know!

What can it be? It's round and grey.
OH! It's a SPACESHIP!

Sally and Coco run outside.

A small ET and a robot are coming down
the stairs of the spaceship.

Hello.
My name is PB3
and this is my robot,
Robin.

A cartoon illustration of a girl named Sally and her uncle, Coco the clown, running at night. Sally is in the foreground, wearing red overalls over a blue and white striped shirt, red shoes, and glasses. She has red pigtails and is running towards the left. Coco is running behind her to the right, wearing a green and yellow striped shirt, purple pants, and a red clown wig. They are running on a grassy field. In the background, there are two large blue vehicles, possibly buses or trucks, with white windows. The sky is dark blue with a large yellow moon and many small white stars. A large, semi-transparent watermark "For Review Only" is written diagonally across the image.

My name is Sally
and this is my uncle,
Coco the clown.

PB3 and Robin are very surprised.
On Planet P3 they don't have animals,
or motorhomes or even many different colours
(they only have black, grey, green and white).

Look at
those funny
houses!

Those aren't
houses! They're
elephants!

Ha! Ha!
This is a circus.

COME TO CIRCUS

Coco and Sally invite PB3 and Robin to have a cup of tea.
