Goalie Challenge

It's game day! Greta laces up her hockey skates.

“What position are you playing, Greta?”
Samantha asks.

“It's my turn to be goalie,” Greta grumbles.

“Fun!” Li says. “I was goalie last game.”

“I’ve never been goalie,” Greta says. “I’m used to scoring goals, not stopping them.”

“You’ll stop lots of goals!” Samantha says.

“Greta, it’s time to put on your goalie gear,” Coach Kelly says.

Greta slips a glove on one hand and a blocker on the other. Coach helps her strap on the leg pads.

On the ice, the Penguins
gather around Coach Kelly.

“Face-off is in five minutes,
Penguins!” Coach Kelly says.
“Let’s try our hardest against
the Hawks.”

The team puts their hands in.
They cheer. “Go Penguins!”

But Greta feels too
nervous to cheer.
