A New Style

Today is my first time
at the hair salon.

I am nervous.

Mom always
cuts my hair
at home.

People smile.

They must like it here.

Maybe I will, too.

“Hi! I’m Hal,” I say.

“My name is Meg. I will cut
your hair,” Meg says.

Meg is nice.

She helps me get
in the big chair.

She puts a cape on me.

cape

Buzz! Buzz!

Meg uses a clippers.

Hair falls to the ground.

There is a lot of it.

clippers
