KRAANG ATTACK!

CHAPTER ONE
'Who makes the mutagen?'

'Why are we here?' asked Mikey.

It was night in New York and the Turtles waited and watched.

'We want to find April,' said Leo. 'Someone down there knows something.'

A van drove into the road.

'Yes!' said Leo. 'Let's go and ask that man.'

The Turtles jumped down.

'Stop!' Raph shouted to the man.

'There are four of us and one of you,' said Donnie. 'So what are you going to do?'

The man shot at the Turtles and drove away.

'Oh no!' shouted Raph to Donnie. 'Why did you ask that?'

'Get him!' shouted Leo.

The Turtles ran across the roofs. Raph jumped down onto the van. But it didn't stop and Raph fell off. Leo hit the van with his ninja star.

CRASH!

'Now we've got him!' said Leo.

The Turtles ran quickly to the van. Raph opened the door and something blue fell out.

'Wow!' said the Turtles.

'This is mutagen,' said Donnie.

'We know all about mutagen,' said Leo. 'It's in Splinter's story.'
