

Who does Earthy Love?

Written and illustrated by *Gavin Coates*

Stanford House

"The clouds are low,
The sun is high,
Look! There's a rainbow.
How I love the sky!"

"I'm wearing a snorkel because
I always love to see
The whale and turtle and octopus,
Playing in the deep blue sea."

"The mountain top
Is white with snow.
I love to stop
And watch the waterfall flow!"

"The river is slowly flowing.
Fish are swimming in it.
I am slowly rowing,
And loving every minute."

"I'll plant a baby tree.
Later when it grows,
Then I will be free
To sit in the shade and doze."

"Oh elephant! You are kind.
It's a very special gift.
You said you wouldn't mind
Giving me a lift."

Q1. What can Earthy see
in the sky?

Q2. How many animals can
you see in this book?

Q3. Why is Earthy planting
a baby tree?

Q4. If Earthy loves you
