CHAPTER ONE

A new friend

SpongeBob and Patrick were at Sandy's house.

'I'm going away,' said Sandy. 'Can you look after my pets?'

'Great! I love pets,' said SpongeBob.

SpongeBob and Patrick looked at Sandy's animals.

'You've got a lot of pets,' said Patrick.

'What's in this jar?' asked SpongeBob.

'That's Wormy, my pet caterpillar. He doesn't eat very much,' said Sandy. 'I'm going now. See you soon!'

'What's a caterpillar?' asked Patrick.

'I don't know,' said SpongeBob.

SpongeBob and Patrick looked at Wormy.
'Look at him, Patrick! I love him!'
'Yes, I love him too!'
'Let's play some games,' said SpongeBob.

SpongeBob and Patrick took Wormy out of the jar. They played in the garden. They were very happy.

'It's late now but I don't want to go home,' said Patrick.

'I know,' said SpongeBob. 'Wormy is a great friend.'

'We're going home now, Wormy,' said SpongeBob. He put Wormy in his jar.

Patrick was very sad.

'Don't be sad, Patrick,' said SpongeBob. 'We're going to see Wormy again tomorrow.'

'See you tomorrow, Wormy,' said Patrick.

CHAPTER TWO

Where's Wormy?

The next day SpongeBob and Patrick ran to Sandy's house.

'Let's go and see Wormy,' said SpongeBob.

'Yes, we can play a lot of games again,' said Patrick.

'We're here, Wormy,' said SpongeBob.

But Wormy was not in his jar.
