CHAPTER 1

Once upon a time ...

Once upon a time, there was a beautiful princess. Her name was Princess Fiona. The King and Queen of Far Far Away loved her very much.

But at night Princess Fiona was an ogre!

The King was frightened. 'What can we do?' he asked the Fairy Godmother.

'I'm going to take her to a dark castle!' said the Fairy Godmother. 'She can wait there for Prince Charming. One kiss from Prince Charming – and Fiona's a princess and not an ogre!'

Princess Fiona went to the dark castle. The King was very sad.

After many years, Prince Charming came to the dark castle. But he did not find Princess Fiona, he found ... a wolf!

'She's not here,' said the wolf. 'She's with her new husband.'

'Her husband!' shouted Prince Charming. 'Oh no! I'm late!'

CHAPTER 2

'Come to Far Far Away!'

Princess Fiona's new husband was Shrek. He was an ogre too. They lived in a small house and they were very happy.

One day, some men came to the house.

'Come to Far Far Away!' they said. 'The King and Queen want to see Princess Fiona and her new husband.'

'I don't want to go,' said Shrek. 'They're not going to like me.'

But Fiona wanted to see her mum and dad.

'OK,' said Shrek. 'I'm doing this because I love you.'

'And I'm coming too,' said their friend, Donkey.

After many days, they came to Far Far Away.
It was a beautiful place and many fairy tale
characters lived there.

The King and Queen and the men and women
of Far Far Away waited for Princess Fiona.

'Hello, Mum and Dad!' said Princess Fiona.

'Oh no!' said the King. 'You're ogres!'
